

TIN CERTIFICATION AND BACKUP WITHHOLDING INFORMATION

Under penalties of perjury, I certify that:

- (1) The number shown on this form is my correct Taxpayer Identification Number,
- (2) I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding and
- (3) I am a U.S. person (including a U.S. resident alien).

Certification Instructions. Cross out item two (2) above if the IRS has notified you that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax returns. Cross out item three (3) and complete a W-8 if you are not a U.S. person.

TRUTH-IN-SAVINGS ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-In-Savings Disclosure are share accounts.

1. **Rate Information.** The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all accounts, the Dividend Rate and Annual Percentage Yield are fixed and will be in effect for the term of the account. For accounts subject to dividend compounding, the Annual Percentage Yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.
2. **Dividend Period.** For each account, the dividend period is the account's term. The dividend period begins on the first day of the term and ends on the maturity date.
3. **Dividend Compounding and Crediting.** The compounding and crediting frequency of dividends is on a monthly basis.
4. **Balance Information.** The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For all accounts, dividends are calculated by the Daily Balance method which applies a daily periodic rate to the principal in the account each day.
5. **Accrual of Dividends.** For all accounts, dividends will begin to accrue on non-cash deposits (e.g. checks) on the business day you make the deposit to your account. For all accounts, if you close your account before accrued dividends are credited, accrued dividends will not be paid.
6. **Transaction Limitations.** After your account is opened, your ability to make additional deposits to your account or withdrawals of dividends and any limitations on such transactions are set forth in the Rate Schedule.
7. **Maturity.** Your account will mature as indicated on this Truth-In-Savings Disclosure or on your Account Receipt or Renewal Notice.

Early Withdrawal Penalty. We may impose a penalty if you withdraw any of the principal before the maturity date.

Amount of Penalty. For Share Certificate and Jumbo Share Certificate accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

Terms of 6 months	}	30 days dividends.
Terms of 7 months		
Terms of 12 months		
Terms of 18 months	}	90 days dividends.
Terms of 24Months		
Terms of 3 Years		

For IRA Certificate accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

Terms of 1 year or more	90 days dividends.
-------------------------	--------------------

How the Penalty Works. The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividend has already been paid, the penalty will be deducted from the principal.

Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:

- (i) When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
- (ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after establishment; or where the account is a Keogh Plan (Keogh) provided that the depositor forfeits an amount of at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA of Keogh and the owner attains age 70½ or becomes disabled.

Renewal Policy. The renewal policy for your accounts is indicated on the reverse side. For all accounts, your account will automatically renew for another term upon maturity. For all accounts, you have a grace period of 10 days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty.

Nontransferable/Nonnegotiable. Your account is nontransferable and nonnegotiable. The funds in your account may not be pledged to secure any obligation of an owner, except obligations with the Credit Union.

Share Value

- Par Value or one share.....\$ 5.00

The rates and fees appearing in this Schedule are accurate and effective for accounts as of the Effective Date indicated on this Truth-In-Savings Disclosure. If you have any questions or require current rate and fee information on your accounts, please contact a Member Service Representative at the Credit Union.
